

## Health, Safety and Environmental Policy

Konsortium Bumi Consultants & Services is committed to ensure the safety and health of all employees, visitors, and clients at their place of work. The management recognizes its responsibility to provide a safe working environment and to comply with all legislative and regulatory requirements.

We believe that through a cooperative attitude of the top management and staff, it is realistic to achieve the goal of Zero Incident.

To achieve these goals, we have established the following strategies:

- 1) Provide a safe system of work that does not cause harm to the environment.
- 2) Provide information, instruction, and supervision with regards to safety and health
- 3) Provide welfare facilities.
- 4) Inculcate a safe and healthy working culture for the employees.
- 5) Promote safety and health at the place of work for all employees.
- 6) Maintain the workplace in a condition that is safe and without risk to health.
